GREETINGS FROM THE PRESIDENT

Hope everyone is doing well. I'm so happy to share with you what a great success our first 5K Run, Walk event was. The turnout was great, the weather was perfect. The feedback was positive, the shirts were a hit, and we'll definitely schedule another 5K event next year. Thank you Cassie for all your work and coordination for this event, our sponsors for supporting us, Kat and David Ackerman who's extensive experience in events like this shared their knowledge, and their time to help with coordination of all the finer details of the race from beginning to

end. And "Thank you" to all the volunteers who helped out from beginning to end. We couldn't have done it without your assistance.

I'd like to remind everyone that we now open the club several days during the month and one evening. It's a great way to socialize with other members. Bring a guest, play a game, or put a puzzle together. Please refer to the calendar for the month for specific days and times.

Mark your calendar Saturday, March 11th for the Annual IOW St. Patrick's Day Parade. Doors will open at 12:30. Parade will begin at 2pm. Following the parade we'll have an after party at the club until 5pm. Please bring an appetizer or dessert to share. It's BYOB. Music will be provided.

Be sure to check out the information on the last page about the Easter Egg Hunt scheduled for April 1st.

The meal theme for our club dinner this month will be Irish and Scottish cuisine.

Thank you.

NEIGHBORHOOD WATCH ALERT!!

Please read this report from April Strange on E. 1st Street:

"Heads Up!! Last night, someone tried to steal my old push mower and gas cans. They got away with one large gas can, but Macy started barking and raising hell. I turned on the light. They left the mower though. The gas is probably worth more than the old mower. I opened the back door to the garage at 2 AM and a smaller gas can was sitting out away. I guess they couldn't carry them both. Obviously it's not someone from this side of the island, at least. Most people know that we have more than enough means of protecting ourselves and property. Not to mention that lawnmower is 6 years old."

Stay safe and stay alert.
